Dear Jerry,

We have already expressed to you how happy we are with our personal brochure and the part you played in getting it to the finish line on time. But we wanted to put it in writing so that you could show our brochure and postcard, along with this letter to other prospective clients. A true story, we sent the brochure and cover letter to an Ormond Beach neighborhood of 700 homes, two days later I get a call from the sales manager of a very prestigious printing company in our area. "Our president got your brochure in the mail and instructed me to tell you he was very impressed, who did this work and where was it printed?" When the other pro's take notice Jerry, you're doing something right. Stay true to the course, The Presidential Group is happy to recommend you.

Best regards,

John Kennedy
